Preparation:

Locate the 12 triangular shapes on the Lt. Kraft cutaparts. Stencil three sets of four corners onto the triangles with Earth and Ruby inks.

Trim the Ivory and Lt. Kraft printed cutaparts into sections as indicated by the artwork. Cut the stenciled pieces into triangles.

After trimming the papers according to the instructions, distribute the pieces to a pile designated for each double page spread as referenced in the diagram.

If you do not have an item to complete the layout as shown, simply omit or substitute the item.

Note: We do our best to round trimming instructions to the nearest quarter inch. The Brown Plain trimmed in Step Four requires the use of measurements at the nearest eighth inch. The decimals have been replaced with fractions to make the directions as clear as possible. Each 7/8x1" piece is used as a mat for the miniature postage stamps included in this collection.
