- Yellow, Brown, Dark Teal and Light Teal Plain
- Wood Mounted Square Stamp
- Teal Organza Ribbon (cut entire ribbon in half lengthwise)
- Stapler
- Black Ink

1. Stamp the WM square image twice onto the Dark Teal, Light Teal, Yellow and Brown Plain with black ink. Trim each image into a square, and cut one square of each color into four pieces.
2. Layer the small trimmed squares on top of the whole squares so that each color is used. You will make four squares with four additional small squares leftover.
3. Stamp the square image randomly onto the Light Teal panel with black ink; ink edges with black and layer onto the Brown card.
4. Attach organza ribbon to the top of the Dark Teal tag with a staple; layer the tag onto the panel and attach the panel to the card.
5. Place one of the layered squares onto the right center of the card.

- Brown Card with Light Teal Panel
- Dark Teal Die Cut Tag: "Just Wanted to Say Hi"
- Brown Fiber
- Unmounted Borders & Backgrounds

1. Stamp a UM border along the edge of the folded Brown card with black ink; ink the edges of the card.
2. Tear one edge from the Teal panel to reveal the stamped border on the folded card; ink the edges with black.

Card #3

 - Black Ink
1. Stamp a border across the top of the Light Teal panel with the UM square image and Forest Green ink. (Rotate the square each time.)

 3. Stamp "Happiness is..." onto the lower right corner of the panel with black ink; attach the panel to the card.

Card #4

- Brown Card with Light Teal Panel

3. Stamp the WM “If We Did the Things...” image onto the trimmed tag with black ink, edge with ink, and layer onto the lower right corner of the Light Teal panel.
